NAOKI URASAWA PRESENTS
Happy!

Miyuki Urino became, a professional tennis player to pay back her brother's debt of two hundred fifty million yen.

While Miyuki was able to go to the U.S. Open from the sub-trials, and entered the States with her coach, Ikander, Keiichiro Otori, who went to cheer for Miyuki, and to be of any help, had the opportunity to be lessened by a great coach.

But instead he was informed of his limits and gave up tennis. On the other hand, Junji Sakurada, who is after Miyuki's debts, but also likes her, causes a violence case.

What will be the fate of Miyuki, Ichi, and fighting alone?

APPARENTLY, HE DELIVERED HIS OPINION OF KESCHALL-SAN TO HIM WITH BLOOD-SAVED HONESTY.

PROBABLY, I HAD AN INTERESTING CONVERSATION OVER THE PHONE WITH COUCH SCHMANN.

ULTIMATELY, HE WILL BRAGGART FROM HIS COUCH AS A TENNIS POWERHOUSE, SIMILAR TO LINDERS. CURRENT COMMENT SURVIVED THE 16 OPEN.

AFTER BEING OVERWHELMED BY THE INTENSITY AND EMPHATICITY OF THE 16 OPEN, HE SIMPLY STUMBLED OVER HIS OWN IDIOSYCRASY TO ACHIEVE.

FEAR NOT, COUCH SCHMANN'S TRUE GOAL WAS TO REFLECT A MATURE SUPPLEMENT, WHICH AFTER ALL, MY SON IS A TROUBLESHOOTING TENNIS PLAYER.

FEAR NOT, THE YOUNG MASTER MUST BE GOING THROUGH A STRESSFUL PERIOD.

FOLLOW IN CURRENT FOOTSTEPS.
